MERRY CHRISTMAS
and a HAPPY NEW YEAR to all!

We hope you all had a good one! We would like to take this opportunity to thank you all for your love and support this year. As you all know, VBC and all the work we do is fully funded by volunteer fees and donations... That means that none of the 58 houses, 14 toilets or 5 wells we have built would have been possible without you!!!! That's 270+ lives that you have helped to change! We have many plans for the future, but in 2016 we hope to change our house design a little bit (perhaps not use as much wood) and focus on ways to continue supporting the families we work with (we've collaborated with the board members of VBC Inc. [Australia] and are hoping to start a *Wellness and Wellbeing* fund, which will focus on supplying families in need with 50kg of rice each month and helping with medical costs where necessary also). Exciting times ahead - please help us, please join us!

This month HOUSE #56
